Official Ballot Statement - Assembly District 72

In these difficult times we need common-sense solutions that address serious problems.

Instead, **misguided politicians who control Sacramento want to shut down our economy, defund our police and open prison doors. Their policies harm small business, drive jobs away and make our state less safe.**

I stand with you and serve as an advocate for middle-income families, seniors, veterans and small businesses.

As your State Senator, I was named Legislator of the Year by the American Legion, the Association of the United States Army and the Vietnam Veterans of America. I was named "Champion of Manufacturing" by California's manufacturers and technology companies for my work to protect jobs. I received top ratings from California's leading taxpayer groups and small business organizations.

As your Representative, I pledge to help our businesses and workers recover from the economic crisis caused by COVID-19. I will protect Prop. 13 and stop tax increases. I will tackle homelessness head on by improving mental healthcare and drug addiction programs.

I am proud to be endorsed by Orange County Sheriff Don Barnes, former Sheriff Sandra Hutchens, local police and firefighters, the Orange County Medical Association and the Howard Jarvis Taxpayers Association pac.

My background and experience includes: Orange County Senator; Orange County Supervisor; Foundation Board Member; small-business owner; Chamber of Commerce Vice-President; graduate of U.C. Irvine; married and mother of two school-age boys. I would be honored to receive your vote. Please visit JanetForAssembly.com to learn more. Thank you.
